(Transmuting Of the Universal Consciousness Heart)

***WAIVER***

***YOUR BIRTHRIGHT: HEALTH, HAPPINESS AND PROPERITY!***

*Carole Aileo Ha'la Ramsay* is a born Empath, psychic and medium. She is clairsentient and in direct link with Spirit (Higher Self). Surrendering to God/Goddess, Creator, Source, she is assisted by your own spirit guides, to raise your vibrational frequency and release real and imagined blocks from your physical body and energy field. Carole is a "catalyst for your highest vibration of well-being and your spiritual growth." In other words, she aligns you with the Pure, Positive Energy of your Divinity to help spontaneously restore order, balance and harmony to your physical, mental and emotional systems.

Carole's *Goddess T.O.U.C.H.* sessions\* are for spiritual purposes only and are in no way intended to replace the treatment, advice and services of your medical practitioner. Rather than diagnose medical conditions, *Goddess T.O.U.C.H.* addresses emotional stresses, thus allowing for the erasure of negative patterns and cellular memories that can (may) lead to disease. You are reminded that since this is not a medical or nutritional program, no drugs or supplements are prescribed.

Being fully aware that God, Source, Creator is the final arbiter of the results, I receive from any healing treatment, I hereby absolve Goddess T.O.U.C.H., Inc., Carole A. Ramsay, and her staff and I claim full responsibility in connection with any unresolved mental and/or physical illness. I agree not to sue Carole A. Ramsay, nor to expect any refunds after participating in any private or group sessions, readings or workshops. In addition, I am aware that Goddess T.O.U.C.H. has a long list of clients. Therefore I agree to notify Goddess T.O.U.C.H. by telephone, text or email, at least 24 hours prior to any private session that I may cancel. Otherwise, I can expect my check to be deposited or my credit card to be charged.

I hereby declare that I have read and understood the above. I also certify that I am not an agent of the Federal or State Government nor am I here for any other purpose than to receive Carole's Goddess T.O.U.C.H. services on my own behalf for the betterment of my overall well-being.
